

HIGH PRAIRIE TRADITIONAL POW WOW

Dear Friends & Neighbors,

On behalf of the High Prairie Aboriginal Interagency Committee (HPAIC), we respectfully invite Sucker Creek First Nation to consider sponsoring the High Prairie Traditional Pow Wow & Regional Youth Hand Games Tournament, taking place on Saturday, May 2, 2026, at the High Prairie Sports Palace and Gordon Buchanan Centre.

The High Prairie Traditional Pow Wow is a free, family-centered celebration that will bring together Elders, Knowledge Keepers, drummers, dancers, families, youth and visitors from across Alberta and Treaty 8. This gathering honors Indigenous traditions while strengthening cultural pride, intergenerational connection, and community wellness.

The High Prairie Aboriginal Interagency Committee is an unregistered non-profit collective governed by a Terms of Reference that ensures accountability, transparency, and community leadership. Our vision is to enhance and support collaborative programs and initiatives that promote Indigenous well-being, including cultural awareness, community events, and email sharing list for information sharing.

We are looking for financial/In-kind support in bringing the Pow Wow & Hand Games in an urban area. Together, we can create lasting impact by supporting cultural preservation, youth engagement, and community pride.
