## Subject: Invitation to Participate – 14th Annual Aboriginal Youth Career Workshop

Dear Participant,

On behalf of our organizing committee, we invite you to participate in the **14th Annual Aboriginal Youth Career Workshop** on **Wednesday, April 29, 2026**, at the **Mile Zero Regional Multiplex, 4609 50 St, Grimshaw, AB**. The day will be from 9:30 am -2:15 pm. This event aims to inspire Aboriginal youth to explore career paths, access decision-making resources, and encourage further education.

Over the years, this event has successfully connected Aboriginal youth with professionals and career mentors. In previous years, we have hosted this workshop **both in-person and recently online**, allowing us to reach a wider audience and provide valuable career guidance across the region.

### Workshop Format

The workshop will feature **career tables** in the center of the room, surrounded by **industry booths**. We will have **approximately 25 tables**, each seating **8-10 youth with a career speaker**. Presenters will have **20 minutes** to share insights about their career path and industry. After each session, youth will rotate to a new presenter, allowing for three rotations and exposure to **10-20 students per session**. In addition to table discussions, presenters will have the opportunity to interact individually with youth at their booths.

To enhance engagement, we encourage presenters to bring **hands-on materials** such as tools, equipment, or documentation related to their field.

### Guiding Questions for Youth

Students will be encouraged to gather career insights, including:

- What does a typical day look like in your career?
- What education and training are required?
- Was this your first career choice?
- Have job requirements changed? Do you need ongoing training?

## Peace River Aboriginal Interagency Committee

Bag 900-15, 9621-96 avenue Peace River, Alberta, T8S 1T4

- What other careers can your training lead to?
- Do you have to travel for work? Can this job be done in a small community?
- What characteristics and traits do employers look for?
- Are there opportunities for job shadowing?
- Are there any physical requirements?
- What is the best part of your job?

### Get Involved!

We invite your organization to **host a booth, provide printed materials, and serve as a career presenter.** Additionally, we graciously accept **donations for participant draws and workshop bags.**

**NEW: Do you require power at your table for your presentation?** Please indicate this in your response.

Here is the link to register <https://forms.gle/HaCixUC5NnhZxeZb7> and **draft agenda** for your reference. **Lunch will be provided.**

Thank you for supporting

In Friendship,

Wendy Goulet
